

SEVERAL VARIETIES HAVE BEEN SELECTED FOR THEIR UNIQUE FLAVOUR AND COLOUR

FINGER LIMES ARE A TRULY VERSATILE AUSTRALIAN BUSH FOOD SENSATION

- Simply cut in half and squeeze out the brightly coloured citrus 'caviar.'
- · Tasty and decorative, a chef's delight.
- · Juice is held in little 'pearls' that burst on the palate.
- Fantastic with all seafood, in desserts, sushi, dressings, salads, salsas, drinks, or on the cheese platter.
- Superb range of colours: emerald, red, pink, purple, green, yellow.
- · Extremely nutritious and high in antioxidants.
- [.] Best kept chilled. Can be frozen.
- Grown sustainably on the southern edge of the Australian rainforest. As close to the Finger limes natural habitat as we can get!!

GROWN AND PACKED BY:

"BUNYA PARK" NULLA NULLA CK. RD. BELLBROOK NSW 2440 AUSTRALIA
